We purchased this cow at Red Round-Up with Soo Line Cattle CO. and she has been successfully flushed over the years. This cow every year adds more value to these embryos. She is the dam of the infamous, Red Dwajo Gladiator 32L, Major Cornerstone herdsire at Soo Line Cattle Co. Just recently in the 2009 Masterpiece Sale another son, Red Dwajo All Star 10T sold for \$26,000 to Double Bar D Farms at Grenfell, SK. We also were fortunate enough to obtain her daughter, Lot 148 and have some very valuable embryos there as well.
