## "THE KORAN LADIES HARD AT WORK"

RED KORAN COUNTESS 306K 348 WITH HER TWIN CALVES AT AGRIBITION 2002.  
SHE STOOD 2ND IN CLASS TO THE GRAND CHAMPION FEMALE.

Robert always thought of the show road as a holiday and a great way to meet people. I agreed that it was a great way to meet people, but I have a different definition of what a holiday might be! We have won our share of Agribition, Farmfair, and Stockade banners along with being named Ambassadors of the Breed a couple of time. I think there are over 20 "Premier Breeder and Premier Exhibitor Awards" around here, but the focus wasn't the banners, it was developing the relationships with the commercial producers who came to watch.
