

Embryos Selling Only...

Red Dwajo Superior 4H

**Son of Lot 228
Red Dwajo Gladiator 32L**

Red Dwajo Superior 4H was one of the best. A direct Prime Rib 411 daughter whose every son raised at Dwajo entered herd bull duties, including All Star 10T the \$26,000 Masterpiece purchase by Double Bar D. Superior 4H, an in dam purchase from Red Round-up, also produced the \$9,000 Red Round-up '05 high selling heifer calf, Red Dwajo Superior 115S who has 2 embryos sired by Red Fine Line Mulberry 26P selling as Lot 228. The Superior cow family could be considered one of the best Red Round-up purchases as well as a success story in raising the great ones.

West Jet was purchased from Brylor Ranch where he was Bryan's choice lot to be syndicated. He was the high seller that day. West Jet has really strong feet and looks great for being with cows all spring. West Jet deserves your attention. After being pulled from the cows he went on grass and never went on grain until September 1. **Selling full walking possession and 1/3 revenue sharing semen interest. West Jet is committed to a contract with Brylor semen sales. West Jet will be tested and ready to go to Alta Genetics to have a semen bank collected. West Jet is owned with Brylor Ranch and the West Jet Syndicate.**

When we first saw On Target as a calf we knew we had to keep an eye on him. Once we saw his dam, one of the absolute best cows in the Circle G herd, we had to have him. On Target has cleaned up all of our heifers after AI for the last three years. He is an absolute calving ease bull. Last year he sired our high selling bull for \$16,000, bought by Nordal Farms. On Target has great dark feet and will be a very maternal bull. We absolutely love how pretty and dark colored his daughters are.

Selling full interest and full possession.

In the spring of 2008 we put on thousands of miles in search of the best Red bulls in existence (in our opinion) Tahoe measured up to our extreme standards. Tahoe's dam is the kind of cow we love. She has an absolute perfect udder, and is as nicely made as they come. The following year she produced a high seller for Ter-ron Farms. Tahoe's proof is in his progeny. They are stout, heavy, have great hair and are always more powerful than their dams. He has wintered in the hills at our Radville ranch on just native grass and some hay for the past two winters.

Selling full interest and full possession.

A Hamley daughter

This past year in Denver, some of our favorite cattle were sired by Hamley. We joined forces with Blairs.Ag and secured the Canadian Semen Rights to Hamley. The only way to source his genetics in Canada is by buying a female bred to Hamley in this sale. His progeny have been on a mission lately winning shows and topping sales all over the U.S. There are great things to come from this bull and we believe they are inside some of the females selling here in this sale.
