SPRUCE VIEW ANGUS

Wayne Grant

Box 174, Killam, AB T0B 2L0

Phone: (780) 385-2216

Hello and welcome! It has been a pleasure to meet you and to those we haven't met yet, it will be our pleasure.

As we are aware the cattle industry indicators are pointing in a very positive direction, so now is defiantly the time to benefit the good times. Poor quality calves, late calvers or open cows due to lack of bull power in these times will be very costly. there is no better and quicker way to improve your herd than through your bull power. Don't stretch your bull power to far.

If your needing bulls, we would enjoy the opportunity to show you what we have. We are proud of our cattle. It is our only source or survival, we do try to pay attention!

Give us a call to stop in and see the sale offering or for a visit, we would enjoy it.

We feel that this is our best set of bulls to date on this our 20th Sale. We truly would like to thank everyone!

Wayne

BULL WARRANTY

We guarantee to provide you with a sound, fertile bull capable of servicing a reasonable number of cows. In the event that your bull is a non-satisfactory breeder the seller will not, under any circumstances, be responsible for more than the original selling price of any bull or female sold in the sale. The consignors will not provide replacement or credit for physical injury or mismanagement. Therefore we stress the importance of insurance on your bull. An insurance agent will be available on sale day.
