SPARROWS RENO 824U – CALVING EASE SUPREME

Reno was purchased as a calving ease bull to use on our heifers. He's done an exceptional job; lower birth weight plus shorter gestation giving us the best calving ease bull we have ever used. What we weren't expecting from Reno was the above average growth that he is passing on to his progeny. You will find the Reno sons are all smooth, long bodied bulls with exceptional numbers for calving ease and growth. Reno sired the high selling sire group in our 2011 bull pen. The Reno bulls this year are all out of first calf heifers.

Terms & Conditions

Terms:

The terms of the sale are cash or cheque payable immediately after the sale in Canadian funds. All settlements must be made with the sale clerks before cattle will be released. The right of property will not pass until final payment is made.

Bidding:

Each animal will sell to the highest bidder. Bidders unable to attend the sale may phone their bids and instructions to the sale manager, auctioneer or special representatives. Bids must be received in sufficient time prior to the sale.

Disputes:

Bidding will be reopened between the parties involved. If no further bid is made, the buyer will be the person from whom the auctioneer accepted the last bid. The auctioneer's decision is final.

Announcements:

Announcements made from the auction block will take precedence over printed matter in the catalogue. Buyers are cautioned to pay close attention to announcements.

Purchaser's Risk:

Each animal becomes the risk of the purchaser as soon as sold. Animals will be cared for at the purchaser's risk for a reasonable length of time. All animals left with the seller must be insured.

Certificate of Registration:

Each animal will carry papers issued by the appropriate breed association. A certificate of registry duly transferred will be furnished to the buyer after payment has been made.

Delivery:

Assistance will be given in making delivery after the sale. The purchaser agrees shipping arrangements will be at the convenience of the seller, but will be as soon as practical after the sale, at the buyer's risk.

Breeder Guarantee:

Should any bull fourteen months of age or over, fail to prove a breeder after being used on cows known to be breeders, the matter shall be reported in

writing to the seller within six months following the date of purchase or six months after the bull has reached fourteen months of age. The seller has the right and privilege of six months to prove the bull a breeder. No guarantee is given that semen collected from the bull will freeze.

Exception Guarantee:

In the case where the animal is subjected to any hormonal or surgical reproductive techniques after the sale, this guarantee shall be null and void. The seller is not responsible for damage caused by foreign bodies after the animal has been sold or for sickness not apparent at sale time. In no event shall the seller be responsible for more than the purchase price.

Accidents:

Although every precaution will be taken to protect the safety and comfort of buyers, neither the sale manager, auctioneer, or sellers assume any responsibility and disclaim any liability, legal or otherwise, in the event of accident or loss of property.

Sale Manager:

By Livestock is only acting as a medium between the buyer and seller and is not responsible for failure on the part of either party to live up to their obligations; or for the truth of any warranties or representations, expressed or implied. **By Livestock** assumes no obligation to enforce or collect monies between parties. By Livestock assumes no responsibility for any credit extended by the seller to the buyer. Any legal action taken in exceptional cases must be between the buyer and the seller. The buyer must look to the seller for fulfillment of all guarantees and representations.

Insurance: Insurance will be available sale day.

Pictures: By attending the sale you are granting permission for your picture to be used for promotional and advertising purposes relating to the sale.

Cedarlea Farms reserves the right to draw semen on any Charolais bull sold in the sale for in herd use at their expense and the buyer's convenience.
