This big, long bull we showed for 3 years, doing very well wherever we went. He is out of our Superior 4H cow that had also produced the Gladiator 32L bull we sold to Soo Line and another WildCard Bull we sold to Cinder Angus. We sold All Star 10T to Double Bar D Farms at the Masterpiece Sale for \$26,000. The calves he is leaving are long and thick, just like him.

A bull we selected from Ben & Carol Tams at Thistle Ridge to enhance our program and he has done that is the past 2 years. He is a calving ease sire that carries the Kodiak 5R black Angus bull on the sire side, Kodiak 5R has done it all in the Black Breed and we wanted to have his influence in our Red Program. Again, the Misticals in our section will be calving ease bulls.

We bought his dam 680S from Wilbar at the Red Round-Up. A bull that has had lots of admirers at Farmfair, where he ended up Reserve Senior Bull Calf Champion. This handsome calf has real thickness and ranked Number 2 in our Weaning Index. He is in the Top 1% for YW and Top 10% for WW in the Red Angus Breed, This bull will do well in the showring or the pasture, just like his sire All Start 10T.

A Mistical calf out of an ET first calver. 29W is a Superior 4H daughter out of Sake 5024R. The Superior cow has produced the Gladiator 32L Bull, All Star 10T and Wildcard 119S. The Sake bull left us some great daughters, he didn't live long so there isn't many of them; he was a very thick, well muscled bull. Mistical 548W purchased from Ben Tams at Thistle Ridge was obtained for his pedigree, having the great HF Kodiak 5R herdsire in a red pedigree. This could be your next herdsire.
