Krugerrand 210S might just be the best son of our Krugerrand 16H bull that we used for many years. A full brother of 210S was a high selling bull in the 2008 sale to Bad Lands Angus at Patricia AB. You will like the thickness and style in this bull.

The only son of Rock in the sale this year. Rock sons have been very popular in the past and his daughters are certainly proving his worth. Fanny 140P is a big, long, deep and attractive Logan 12G daughter, a home raised sire that sired excellent daughters with really good feet.

OPEN HEIFERS

These heifers represent most of the sires currently in use in our herd. They have not been highly fitted and were developed practically to ensure a long and productive life.

Windy Willows females have provided previous customers with exceptional value. For example, WWF Windy Blackbird 49R, produced the Junior Bull Calf Champion at Agribition 2010 for Wiwa Creek Angus. WWF Advantage Euthalla 42P produced a leadoff and high selling heifer for Johnson Livestock. WWF Alliance Jennifer 6N produced the Bull Calf Champion at the Saskatchewan Gold Show and is now an embryo donor for Forsyth Ranch. WWF Prime Time Heroine 88M produced a highly successful herdsire for Bad Lands Angus. There are many more! The next success story is yours for the choosing!

"New to the Business - Junior Incentive"

As an incentive and a "leg up" to aspiring young Angus breeders we will offer any young individual under the age of 21 whose immediate family does not currently own registered females, a 20% discount on their first registered female purchased in this sale. In addition, we will provide a breeding privilege for the coming breeding season. Please call us for details.

FEATURE: This heifer is really special! When is the last time you had a chance to bid on a heifer with EPDs like this? We did not intend to offer any Upward daughters but decided to let one go just to illustrate the tremendous job the bull has done here. The Bride family has been very productive and this heifer's dam is a lesson in femininity, style and udder quality. I'm sure her daughter will be the same, she already looks the part.

**A big THANK YOU to
Demar Klassen & Philip Kornaga
for helping us this winter.
Good job guys!**

Structurally sound feet and legs are the product of good genetics, proper nutrition, plenty of exercise and the absence of very high energy rations over extended periods. We do our best to ensure that our bulls have sound feet and legs. Weather permitting, we will once again display our bulls on packed gravel prior to the sale allowing you to assess their feet with ease.

TERMS & CONDITIONS

TERMS: The terms of the sale are cash or cheque payable at par. Settlement to be made immediately after the completion of the sale. The right of property shall not pass until after settlement is made. All settlements must be made with the clerk of the sale before any cattle will be released. All monies are Canadian funds.

BIDS: Every animal entering the sale ring will be sold to the highest bidder.

DISPUTES: In case of disputes, bidding will be reopened between the parties involved. If no further bid is made, the buyer will be the person from whom the auctioneer accepted the last bid. The auctioneer's decision of all disputes is final.

ANNOUNCEMENTS: All announcements made from the auction block will take precedence over the printed matter in the catalogue. Buyers are therefore cautioned to pay close attention to any such announcements.

PURCHASER'S RISK: Each animal becomes the risk of the purchaser as soon as sold.

INSURANCE: Insurance can be arranged for through the sales clerk.

CERTIFICATE OF REGISTRATION: Each animal will carry a Registration Certificate issued by the Canadian Angus Association. A certificate of registry, duly transferred, will be furnished to the buyer after payment has been made.

ACCIDENTS: Although every precaution will be taken to protect the safety and comfort of buyers, neither the sale management nor the auctioneer assume any responsibility in this matter and disclaim any liability, legal or otherwise, in the event of accident or loss of property.

LIABILITIES: All persons attending the sale do so at their own risk and sellers assume no liability, legal or otherwise, for any accidents occurring in or about the premises.

EXPORT TESTING: Required health certificates for cattle being exported will be provided.

This image shows a single sheet of white paper with horizontal ruling lines. The lines are evenly spaced and extend across the width of the page. There is no handwriting or other markings on the paper.
