

Welcome to our 9th Annual Bull Sale
along with an exciting offering of Young Dale replacement heifers.

Last year I said our industry has turned the corner. The market place is steaming hot and that is good for everyone in the business.

Our bull pen has style, great hair coats and performance that will put on those extra pounds that will put premiums in your pocket while managing birth weights. Most of our offspring has the Young Dale prefix on top and bottom, something that we are very proud of. We are also offering a select group of heifers in this year's sale. They are sweet feminine females that are sure to make great cows.

One of the nicest sights at Young Dale this year is the 35 first calf heifers. They have great udders with a terrific set of baby calves. Seeing them will sure create interest in this package of future Angus heifers. Let your imagination run wild.

We will have the cattle at Alameda on Sunday prior to the sale. Seeing the cattle at home before would give you a chance to see their Dams and Sires which I think is always a positive move. If not we hope to see you in Alameda, come early and enjoy lunch with us.

For any information on the cattle, just give us a call and we will be glad to help in any way we can.

Sight Unseen Program

If you are unable to attend the sale, we have a "Sight Unseen Program" that is satisfaction guaranteed. It's a simple program ... after discussing your needs with you, we will help you select a bull. We will then have a buyer try to purchase the bull on your behalf. Upon delivery, if you aren't satisfied, you don't own the bull.

Viewing of Bulls

Bulls and heifers are available for viewing the afternoon of April 8th at Alameda Auction Mart

Sale Day Discount

If you take possession of your animals sale day, we will deduct \$50.00/animal off the price of your purchase.

NOTE: After Sale Maintenance

Sale bulls can be maintained at Young Dale on a growing ration post sale. For animals not picked up or delivered by **May 1st, 2012**, the buyer will be charged **\$5.00/day**. Young Dale will not be responsible for any loss or injury post sale or during delivery, so it is highly recommended that you insure your animals.

Certificate of Registry

A certificate of registration duly transferred will be furnished to the buyer by the breeder for each registered animal after complete payment has been made.

Sale will be online live at
www.teamauctionsales.com

GENERAL INFORMATION

TERMS

Cheque or cash, unless other arrangements have been made prior to sale with the seller. As soon as animal is sold, it becomes the responsibility of the purchaser.

GUARANTEE

Should any bull or heifer fail to be a satisfactory breeder, he or she will be replaced with a animal of equal value and quality, or a credit given toward the purchase of another animal. NO REFUNDS. Bulls are not guaranteed to freeze semen. If you have any problems with your animal, please notify us immediately.

HEALTH

We will furnish the necessary health papers for bulls or heifers going to the United States.

ACCIDENTS

Although every precaution is taken, neither sale staff or the owners will assume any responsibility and disclaims any liability, legal or otherwise for any reason.

ANNOUNCEMENTS

Errors in this catalogue will be corrected by announcements from the block at sale time and such corrections will take precedence over any printed matter. Any dispute will be settled by the Auctioneer.

ACCOMODATIONS

If you are in need of accomodations, phone Young Dale at 306-9284810

Why I should use CACP tags?

- tagged animals are eligible for more than 160 CACP feeder sales in Canada
- each tag verifies minimum 50% Angus genetics
- tagged animals are eligible for Angus Branded Beef Programs including McDonald's Canada Angus Burger Program
- CACP tags are competitively priced

How do I take part in the CACP program?

- Complete a CACP membership form. Membership is free.
- Use registered Angus bulls.
- Order tags from CAA.

Welcome to one of the last but certainly not one of the least bull sales of the year.

The Young Dale program is one that is truly a front runner in the Angus world. Selective line breeding based on cow families has added predictability and uniformity in type that is hard to rival. The acceptance of these genetics has made Young Dale cattle a sought after commodity in the Angus community. Also whenever Young Dale hits the show road you can be sure they are one of the forces to contend with.

New this year you will also find a select group of open replacement heifers offered. These young ladies carry the Young Dale genetics that has set their program at the forefront and this is your opportunity to add them to yours.

The bulls come to you with as much information as possible to aid you in your selection. Ultra Sound data and Semen test results will be available at the sale. You will find calving ease and cow bulls all with the extra performance you need. The Knockouts that were so popular last year will once again be features.

If OBI, Barry, Robb or any of the sale staff can be of assistance we are just a phone call away.

See you in Alameda on April 10/12.

On behalf of OBI
